Community Corrections:	Contact your probation officer directly.	
Court Services:	Contact your probation officer directly.	

to reschedule or complete your court business.

Mitigating COVID-19 spread

PUBLIC

- If a member of the public shows symptoms of illness (fever/coughing), that person will be encouraged to visit another time, use a different medium to conduct business, or be provided service in a limited area of the building.
- Signs will be placed in public restrooms with instructions on the proper way to wash hands.

ATTORNEY/CLIENTS/INMATES

- Attorneys are asked to follow the same guidelines as the public.
- Attorneys should ask their clients to follow the rules set out for the public and to wear masks while in the courthouse if they have fever and/or active coughing.
- If an inmate has a fever/active coughing, the sheriff deputy transporting the inmate should ensure the inmate is wearing a mask while in the courthouse.
- Sheriff deputies appearing in courtrooms should follow the same hand foam and handwashing procedures as court employees.
- Sheriff deputies appearing in courtrooms who have fever/active coughing should wear masks while in the courthouse.
- If an inmate is confirmed to have COVID-19/2019-nCoV/Coronavirus, the court will coordinate with the sheriff, defense counsel, and the prosecutor to arrange for video appearances or continuances of court proceedings.
